

April 2007

**PRESS RELEASE**  
**ZIVILSCHUTZHUBERSCHRAUBER EC 135**  
**GERMANY**

AAT has delivered the first of 12 Zivilschutzhubschrauber EC 135 for Traunstein (Christoph 14) and Kempten (Christoph 17).

The state of the art equipment is designed according requirements of "Bundesamt für Bevölkerungsschutz und Katastrophenhilfe (BBK)" and since 30. March 2007 in operation.

The equipment can be completely installed / removed in less than 30 minutes and allows to use the EC 135 in different operations. The kit is interchangeable between the EC 135 helicopter of "BUNDESPOLIZEI" and "BBK".

Each delivered EMS Kit is certified with an EASA Supplemental Type Certificate (STC) and complies with all relevant airworthiness requirements.

Air Ambulance Technology GmbH is the one-stop-shop for tailor-made "Quick Conversion" Air Ambulance, Corporate / VIP and Mission Interiors for helicopters and fixed wing aircraft covering design, engineering, production, testing, certification and also maintenance (EASA Part 21 DOA / POA Approval; EASA Part 145 Maintenance Approval).
