

June 2008

PRESS RELEASE

Air Medical Interior for Beech 90, 100, 200

AAT has received certification of Air Medical Interior for

- Beech 65-A90, C 90 - EASA.R.S.03231
- Beech 100 / 200 - EASA.R.S.03576

The air medical interior is available in one-/ two patient configuration and allows Intensive- and Non-Intensive flights. The equipment can be completely installed / removed in 30 minutes and needs no modification to the aircraft.

A loading system for easy loading and unloading of the patients is available.

Air Ambulance Technology GmbH is the one-stop-shop for tailor-made "Quick Conversion" Air Ambulance, Corporate / VIP and Mission Interiors for helicopters and fixed wing aircraft covering design, engineering, production, testing, certification and also maintenance (EASA Part 21 DOA / POA Approval; EASA Part 145 Maintenance Approval).
