Change of AAT DOA number

To whom it may concern,

Due to a change in the national company registration number (ref. GM 21.A.149 & GM 21.A.249 – Transferability), AAT had to re-apply at EASA for a new DOA approval. In May 2020, the AAT DOA was successfully completed and AAT received its new DOA Approval no. EASA.21J.754. Simultaneously, the old AAT DOA EASA.21J.042 was surrendered. All obligations and privileges incl. the applicable STC's from the old DOA EASA.21J.042 were transferred to the new AAT DOA EASA.21J.754. All new STC's o
Official Information about the change can be reviewed on the EASA homepage:
